MEET LEADERSHIP TEAM

The Visionaries Behind Our Success

MR. PRADEEP SONTHALIA
Chairman

The driving force behind ABCN Manufacturing Pvt Ltd, specializing in crafting sturdy bodies for commercial vehicles. With a keen eye for innovation, he's led the company to excel in designing and building robust structures for trucks and other commercial vehicles including Ambulance. His strategic insight, deep industry knowledge, and commitment to customer satisfaction have propelled ABCN to the forefront of the commercial vehicle body building sector. Under Mr. Sonthalia's guidance, the company thrives in creating dependable, high-quality solutions that cater to the diverse needs of the transport industry.

MR. PRATIK SONTHALIA
Director

He is a graduate in commerce from Sydenham college, class of 2011. He exhibits a strong entrepreneurial acumen, a flair for innovative ideas, and a proven ability to navigate risks. He has effectively positioned himself as the proprietor of multiple successful enterprises. Spearheading them all to success. Boasting a decade-long tenure at the helm of a steel industry establishment, Pratik brings a wealth of experience to his role. He actively champions the productivity agenda, driving the attainment of cost reduction targets, while also steering the company towards the pursuit of OEM Certification in the near future. Under his astute guidance, our company has realized sustainable growth, reflecting his adept leadership.
